# TIPS FOR PROPER PACKAGING :

- Use NYLON FILAMENT FIBER TAPE or MAILING TAPE only. **Masking tape and scotch tape are NOT AUTHORIZED.**
- Place all **LIQUID's** items such as salsa, lotion, and beverages in separate zip lock bags to avoid spillage during transit.
- Always use the **SMALLEST** box possible with proper packing.
- Always use **DURABLE** boxes when mailing.
- Use **BUBBLE WRAP / STYROFOAM POPCORN** when sending breakable items.
- Package all items **TIGHTLY** to help avoid them shifting & breaking during transit.

# **TIPS FOR PROPER PACKAGING**

- Never send **BULKY** items in an envelope (i.e., KEYS, RINGS, CASSETTE TAPES).
- Place a copy of the **RETURN** and **ADDRESSEE'S ADDRESS** inside the parcel.
- Remove all **BATTERIES** from electronic devices.
- Use **INSURANCE** on packages that contain valuable items valued over \$51.00 going to and from here and the deployment site.

# CUSTOMS REGULATIONS

- All mail weighing **OVER 16 OUNCES** must be presented to a post office for mailing.
- All parcels being sent **FROM, TO or BETWEEN** an APO/FPO must bear a **completed** customs form.
- To assist customs and prevent damage to your package, include **KEY and/or COMBINATION** for all locks when mailing sea-bags, foot lockers, etc.
- Custom forms must be filled out in **DETAIL** with **proper address formats**.

# **MAILING**
